

TESTIMONIALS

What do they say about us?

Here is what business leaders and economists think of **LEBANON OPPORTUNITIES**

Lebanon Opportunities has come out against all odds. Beyond a doubt, the magazine has passed the test. Lebanon

Opportunities has become an indispensable business tool.
Riad T. Salamé, Governor of the Central Bank

Lebanon Opportunities has evolved into one of the Middle-East's most credible and trustworthy publications.

Lebanon Opportunities is very informative on all sectors of the economy, and its coverage of my sector, manufacturing, is truly unsurpassed. The magazine actually manages to educate its readers with its comprehensive coverage of new trends in industry. Lebanon Opportunities has become one of the pillars of Lebanese economic life in record time. Congratulations!

Fadi Abboud, Chairman of the Lebanese Association of Industrialists

Lebanon Opportunities has been a permanent companion to the activities of the private sector. Many of the leaders of the business community as well as company managers have relied on it for news, and in-depth analysis.

Lebanon Opportunities has established itself as a reference that is consulted by local as well as visiting investors, traders, and researchers.
Adnan Kassar - President of the Economic Instances

Lebanon Opportunities, has a name that reads like a mission statement. Rarely does a magazine live up to its name. Lebanon Opportunities has done it with glamour. It has quickly become a reference for many sectors of the economy, especially construction costs and indexing. It is a great sum of business news and data offering Lebanese and Arab investors business opportunities and prospects and a platform to gather. It has become the setting for a concrete effort between the State and the private sector. To reach the business community, reading Lebanon Opportunities is a must.
Fouad El Khazen, Chairman of the Syndicate of Public Works Contractors

For ten years I have been a faithful reader of Lebanon Opportunities. As a business person it gives me sound analysis of economic trends as well as abstracts of information necessary for decision-making. Lebanon Opportunities endeavors to spread confidence and hope through its constant research of investment opportunities with great objectivity.

Roger Nasnas, Chairman, Social and Economic Council

When we decided to collaborate with Lebanon Opportunities, we knew that we could count on its professionalism. Throughout the years, Lebanon Opportunities has shown us that Lebanon remains a source of inspiration and motivation for all Lebanese and foreigners alike. Whatever has happened, you have always worked in the most professional way. Though our country has faced many challenges, you have kept on believing in its prosperous opportunities. Your faith in Lebanon has never failed, and we are proud to be amongst your partners.
Elie Nasnas, President of ACAL

Lebanon Opportunities is the first English-language monthly. It fills an information gap in the market by consolidating and repackaging relevant information. I wish Lebanon Opportunities expanding its offerings and providing value-added information to its subscribers.
François Bassil, Chairman of the Association of Banks

Indeed, it is a big opportunity to read Lebanon Opportunities! Like the Bible or the Koran next to your bed, Lebanon Opportunities is in your office. It is required whenever you need any information. In fact, it publishes the most accurate and serious reports.
Pierre Achkar, Chairman of the Association of Tourism Syndicates

Lebanon Opportunities is a fine example of professional business journalism reaching new heights over a very short period of time. Its insightful approach, analytical prowess, and optimistic outlook are indeed heartening. Our business environment is significantly richer as a result of having Lebanon Opportunities. This fine publication warrants every commendation. Congratulations are amply deserved.
George K. Najjar, Dean, Olayan School of Business - AUB

Lebanon Opportunities has certainly contributed to better awareness of economic developments in Lebanon, investment opportunities, real estate prospects, and very important policy issues. Its dedication, initiative, and persistence in an uncertain environment deserve recognition and support. This publication carries a spirit which is forthright and courageous.
Marwan Iskandar, Economist

One should recognize that publishing Lebanon Opportunities on a regular basis over the course of ten years is in itself a remarkable deed. What confirms the magazine's success is the dual dimension of its sustainability. The added value of the magazine lies in its development of a rich database on business opportunities in Lebanon.
Kamal Hamdan, Economist
